

Striving for justice every day...

**Santa Clara County
Office of the District Attorney**

Our Vision

We honor and protect the rights of victims.

We act with integrity and respect for the rights of the accused.

We strive to hire and train the most talented people, use the most advanced technology, and together, fight for justice in the courtroom and the community.

We embrace our diversity as one of our greatest strengths.

We earn a reputation for honesty, integrity, and excellence built on deeds, not words.

We are proud to be advocates for the People.

We strive to follow a set of organizational standards:

Communication

Fairness and Consistency with Flexibility

Professionalism

Accountability

Leadership Support
